chartered accountants & business advisers

More than just accountants

We drop the jargon, and promise you a different accountancy partnership.

Nicholsons aims to make accounting as easy as possible, as well as offering a range of financial planning and management services to businesses and individuals. We work with you as a trusted adviser, supporting you with business and personal challenges, and plan for the future.

Get **time** back, **save** money,

smash your goals.

Accountancy

Our accounting and finance expertise enables us to crunch the numbers and provide recommendations to help you operate your business in the most tax-efficient and profitable way possible.

Tax

We cover all aspects of your tax needs, ensuring you operate in the most tax efficient way and help you overcome any complexities that you and your business may face.

Audit

As well as evaluating your company's performance and financial health, we also assess the risks and opportunities available to you, to make a noticeable improvement to your business.

Payroll

Our Payroll service is tailored to suit your specific business needs, allowing you to focus on your business and leave payroll, and employee benefits to us.

Wealth Management

Our wealth management team offer support and advice on all areas of your personal finances, so that you know you and your family's financial needs are well taken care of.

Exit Planning

Helping you build, protect and realise the value you've created. When the time comes to retire or move on, make sure you do it on your terms.

Profit improvement

We help small and medium owner-managed businesses across Lincolnshire improve their profits not by cutting corners, but by understanding what truly drives performance.

Finance Systems

Growing businesses don't usually run into difficulty because they chose the wrong software. Problems tend to arise when finance systems evolve without structure.

Corporate Finance

Whether it's raising finance, buying or selling a business or due diligence, we have the expertise and experience to help you make the right decisions and get the right deal on your terms.

Financial Freedom

Running a business isn't a straight line. What works brilliantly in the early days often becomes the very thing that holds you back later on.
